### **NEW TS RED DOT SCOPE™ FROM TASCOS<sup>®</sup> LOADED WITH FEATURES**

**Overland Park, KS** — The new TS Red Dot 1x32mm scope from Tasco is one of the more versatile red dot scopes on the market today. It will function as well on the range as it will in the field. With a new single mounting ring design it mounts easily on rifles, shotguns or pistols. It is also the ideal scope for use on tactical firearms.

Other key features include flip-up caps on the objective and ocular lenses, an illuminated 5 M.O.A. red dot reticle and unlimited eye relief. All lenses are fully coated for greater clarity and brighter images.

The intensity of the red dot can be adjusted with an 11-position rheostat.

All Tasco red dot sights are built to withstand the recoil of 3" magnum shot shells and handgun loads up to .357 magnum. It is covered by a Lifetime Limited Warranty. The new TS Red DOT retails for \$169.95 and will be available in 2006 at Tasco dealers nationwide.

For more information on Tasco products visit the Web site at [www.tasco.com](http://www.tasco.com).
